## FARM CREDIT WORKS AS HARD AS YOU DO

More than a million American families depend on cattle for all or part of their income. Because you're such an important part of America's economy, you need a lender like Farm Credit who is experienced and understands the cattle and dairy industries and the needs of Florida's cattlemen and dairymen.

Farm Credit has loan officers who specialize in financing cattle operations. These experienced professionals understand the complex needs and demands of a successful operation and are committed to your success.

Whether you're building fences or establishing pastures, Farm Credit is ready to help you grow.

## FINANCING FOR FLORIDA'S CATTLEMEN & DAIRYMEN

Farm Credit makes loans for

- Establishing permanent pastures
- Purchasing brood cows and feeder calves
- Buying dairy cows
- Purchasing real estate
- Constructing barns, buildings, or fences
- Refinancing debts
- Purchasing or leasing machinery, equipment, cars, and trucks
- Paying operating expenses
